"New Challenges From The Online Environment In Insurance"

AIDA Webinar: 9/12/2020 at h. 11am – 1pm CET

AIDA WPs on Motor Insurance, New Technologies and on General Principles of Insurance Law

Sub topic of the 3rd Webinar: "Product Comparison Tools, Insurance Intermediaries Liability and POG in an online environment"

The current pandemic situation has increased the existing shift towards the online distribution of insurance products. In this session of our webinar series, we shall discuss legal problems in new contexts for human-to-human interactions as well as new forms of human-to-machine, machine-to-human interactions.

Chairs: Sara Landini (Unifi, Florence), Kyriaki Noussia (UoExeter, UK), Andrea Signorino (Uni Montevideo, Paraguay), Margarida Lima Rego (Uni NOVA, Lisbon)

Topics and Speakers:

1. Challenges of adapting insurance regulation to the digital world (Nic De Maesschalck, BIPAR)
2. Insurance Intermediaries liability in an online environment (Eric Evian, GCPA Europe)
3. Social, functional and ethical dimension of Cyber Risks (Dr. Andrea Signorino)
4. The POG of insurance products distributed online (Ass. Prof. Pierpaolo Marano)
