

UNIVERSITÀ  
DEGLI STUDI  
FIRENZE

Da un secolo, oltre.

## THE RECTOR

HAVING REGARD to her own decree n. 456/2025 (prot. 86975) of the 15th April 2025 concerning  
the issuance of the call for applications for admission to the Bachelor's degree program  
in **Sustainable Business for Societal Challenges** [class L-18] for the academic year  
2025/2026, and in particular to Sheet 1 – Non-EU Students and Marco Polo students

HAVING VERIFIED the applications submitted in response to the call for applications

HAVING ACQUIRED the TOLC test results from the CISIA database

## DECREES

- the approval of the official records and the merit ranking – including any subsequent re-rankings – of the admission competition for the Bachelor's degree program in Sustainable Business for Societal Challenges [Class L-18] for Non-EU students and Marco Polo students for the academic year 2025/2026
- the start of enrollment procedures for the successful candidates as of 31 July 2025, delegating to the administrative offices the preparation of the necessary documentation for the enrollment of all candidates who, based on their scores, are validly placed in the ranking list for the purpose of assigning one of the available places
- that the ranking list and all relevant information regarding the procedure in question be published on the University's web page dedicated to restricted access programmes.

THE RECTOR

*Prof.ssa Alessandra Petrucci*
