RESEARCH PROJECT	The research proposal (maximum 10,000 characters including spacing, excluding bibliography) must specify the topic of research, outline its place with respect to the state of art, clarify its originality and indicate how the research will unfold throughout the three years of the Ph.D.  Candidates applying for multiple rankings must attach a separate project for each.  For standard positions, candidates may submit a project for only one of the two curricula and must specify which curriculum it refers to.				
INTERVIEW MODE	In-person (In the application form candidates may ask to conduct the interview remotely)  The interview can be taken in Italian or in English language. If in Italian, the English language knowledge is tested during the interview.  The interview can be conducted in English language.				
	In addition to the research project, the interview will focus on the topic of the second level degree thesis and will test the candidate's preparation, his/her disciplinary knowledge and his/her aptitude for research. The interview is also intended to verify the candidate knowledge of the English language (level B2 at least) as well the knowledge of a second foreign language to be chosen between French, Spanish and German.
