PUBLICATION OF ELIGIBLE CANDIDATES– Amendment

Bachelor's Degree in SUSTAINABLE BUSINESS FOR SOCIETAL CHALLENGES.

[Class L-18 – Bachelor of Science in Economics and Business Management]

Having regard to the convocation of candidates published under notice ref. no. 219258 dated 8 September 2026;

Taking note of the note of amendment ref. no. 219658 dated 8 September 2026 which states that due to a mere clerical error, the evaluation report on the eligibility requirements for the admission test to the Degree Course in *Sustainable Business for Societal Challenges* listed all candidates who successfully completed the degree program registration procedure, rather than only the list of candidates admitted to the test and that the clerical error is clearly evident from the submitted report, considering that the grounds for exclusion were explicitly stated for each non-admitted candidate;
