University and Research n. 313 of May 20th 2016
Conversion table for foreign titles**

Exams evaluation

Candidates who have passed exams in a foreign university can refer to the grade conversion system available at www.universitaly.it

The conversion system is based on following formula:

$$\text{GRADE: } G - G_{\min} / G_{\max} - G_{\min} * (I_{\max} - I_{\min}) + I_{\min}$$

Where:

G: grade to be converted

G_{min}: Minimum pass grade in the foreign universities grading system

G_{max}: Maximum grade in the foreign universities grading system

I_{min}: Minimum pass grade for the Italian universities grading System (18/30)

I_{max}: Maximum grade in the Italian universities grading system (30/30)

Qualitative grades are converted according to the following conversion table:

Qualitative grade to be converted	Grade
A	30
B	28
C	26
D	23
E	18
