<td>INTERVIEW by remote mode</td>
<td>Google Meet or Skype</td>
</tr>
</tbody>
</table>

**FURTHER INFORMATION**

- For the admission to the interview the Committee will evaluate:
  1. CV (European format) with indication of qualifications (e.g. awards, certificates of research experience and/or attendance of courses) and all publications of the applicant.
  2. Publications by the applicant attached to the application. Publications will contribute for a maximum of 3 (three) points.

- Technical reports and specialization thesis are not evaluated and should not be uploaded.

- 3) Research project in English. In this phase the project will be evaluated for its coherence with the Doctorate and for its feasibility, in general and within the Research and Innovative Treatments Programme. (Note: the project presented will not necessarily be accepted as the final thesis project for the applicant.)
