In such a case, candidates are admitted to the competition with reservation, and it is their duty to promptly send to the Ph.D. Office (dottorato@unifi.it) a self-declaration stating that they have obtained the academic qualification. **Art. 3**

2. The academic degree awarded abroad must be comparable in duration, level, and subject area to an Italian second-level academic degree. The suitability of the foreign degree is ascertained by the doctoral admission board in compliance with the relevant regulations in force in Italy and in the country where the degree was awarded, as well as with international treaties or agreements on the recognition of degrees to access to further studies.

3. However, by the beginning of the courses, translated degrees, legalized in Italian and accompanied by a "Dichiarazione di valore in loco" (Declaration of value) issued by the competent Italian Representations
of the country in which the degree was obtained, must be delivered to the Doctoral Office together with the application form; alternatively, the certificate issued by the ENIC-NARIC center in Italy (CIMEA) that contains all the necessary information for the evaluation of the degree.
