The University of Florence does not provide accommodation for Erasmus and no-Erasmus exchange students. The city of Florence offers different options for accommodation. You can find hotels, hostels, individual/ shared apartments, single/double rooms to suit all styles and budget.

To help you find your perfect accommodation in Florence, we've developed this comprehensive guide.
DSU Toscana is the Regional Agency in Tuscany responsible for ensuring the Right to University Education. Normally, this institution offers accommodation to degree-seeking students who have been awarded a study scholarship. However, they can also temporarily transfer housing to Erasmus students. The residences include various types of accommodation such as rooms, apartments, single and double rooms.

The availability of housing depends on the availability determined by guests' departures.

Requests can be sent only from June to July. Follow these steps:

- Send an email to residenze.fi@dsu.toscana.it or vpiconese@dsu.toscana.it.
- Attach a copy of both your identity document and the document certifying your Erasmus agreement.
The university specifically recommends using HousingAnywhere, an international housing platform that allows you to book your new room safely, offered by verified private landlords and outgoing students.

HousingAnywhere is a great tool for students who are going abroad for an exchange semester or internship. It allows incoming exchange students to easily rent rooms that are sublet by outgoing students, making it a hassle-free and affordable option for student housing.

Sign-up here to receive a University of Florence VIP profile and priority access to all rooms available on HousingAnywhere:
Book using the Promo Code "UNIFI" (first line) to enjoy the status of verified guest.
RESIDENCES

We would also like to share with you other available residences, but please note that the university does not have a promotion or agreement with the following options. Click on the link for each of them!

- Camplus College
- Evergreen Residence
- CX Florence Student Place
- Beyoo
- Casa dello Studente
- The Social Hub
Housing search platforms are online tools or websites that allow individuals to search for and find available housing options based on their specific needs and preferences. These platforms may offer a variety of search filters such as location, price range, number of bedrooms, and amenities available.

FACEBOOK GROUPS

It's important to be cautious when using Facebook groups to search for housing. Make sure to thoroughly research the potential property and landlord before committing to anything, and do not make any payments before the stay. Stay vigilant!

Real estate agencies and announcements

Students looking for accommodation can contact real estate agencies that rent apartments (but not single rooms).

For more information on the accommodation we recommend:

- read the ads in the newspapers and dedicated websites.
- check student announcements on notice boards in school buildings.
The price to rent a single room here in Florence goes from 350 to 450 Euros per month while you can find a bed in a double room for approximately 250 Euros.

Students attending the School can get the canteen card to have meals for approximately 4,00 Euros. The monthly bus ticket for students costs about 35,00 Euros.

As per the regulations governing the Erasmus+ and Exchange program, incoming students at the University of Florence are not required to pay tuition fees. However, students will need to bear the cost of materials such as books, photocopies, or certificates.

Moreover, at the end of the Erasmus/Exchange study period at our University if students would like to have a personal certificate of the results (Transcript of Records), they’ll have to pay an Italian tax of 16,00 Euros (so called “marca da bollo”) otherwise, the certificate will be sent directly via email to their home University for free.

Non-EU citizens with a mobility period of more than 90 days are required to apply for the Italian residence permit, by paying the application fee to the Italian Government (o Ministry of Home Affairs).
