### **INSURANCE**

It is necessary for exchange students to be covered by any international insurance.

### **HOUSING**

Visiting students are assisted by the staff of the Office of International Academic Affairs in finding suitable housing arrangements for their stay in Mexico. CIDE has no on-campus housing. The office provides support to exchange students through the Accommodation Network, providing students with a list of accommodation options during their stay in Mexico City. We also offer information and advice as to preferred areas to live, security, and legal matters

### **VISA**

Mexico requires foreign exchange students to obtain a student visa "(FM3 Estudiante)" when the students stay more than 180 days in Mexico. Once you have been accepted as an international visiting student by the Office of International Academic Affairs, you must visit the Embassy of Mexico in your country to obtain the required visa.
