### **INSURANCE**

Before their arrival, students must submit copy of the policy of a health care insurance for the entire duration of their stay as exchange students (from the day of their arrival in Lima until the date of their depart to their country).

### **HOUSING**

As on-campus accommodation is not available at ULima, students may choose among the Housing Options listing. Students may ask for close assistance in case they feel like they need it.

### **VISA**

Universidad de Lima will arrange an official exchange visa for exchange students, through the Peruvian Ministry of Foreign Affairs. In order to start the procedure, students shall submit the following information by email (avillaco@ulima.edu.pe) two months before their arrival in Lima:

- Copy of flight ticket to Lima (round trip)
- Copy of passport
- Address of the student residence/house where the student will live in Lima.
- International Health insurance
- A statement of economic solvency to travel to Peru

We will notify students when the visa is ready (it takes one or two weeks before their arrival in Lima) so they can pick it up at the Peruvian Embassy/Consulate in their countries. Please visit this webpage: <http://www.consulado.pe/paginas/Inicio.aspx> in order to find the Peruvian Consulate according to your country.

This official visa is granted for 183 days which is the period of one semester at the Universidad de Lima. The official visa is given exclusively for academic purposes; consequently the return flight must be scheduled as follows:

- Students who will study in Fall 2018 no further than December 30th, 2018.
- Students who will study in Spring 2019 no further than July 31th, 2019
