INSURANCE

OSHC is insurance to assist international students meet the costs of medical and hospital care that they may need while in Australia. OSHC will also pay limited benefits for pharmaceuticals and ambulance services. It is a condition of student visas that visa-length OSHC be purchased and maintained for the duration of that visa. Failure to purchase OSHC will result in students being non-compliant with their student visa requirements.

Students can arrange to pay for their OSHC when accepting their offer through Monash. Monash University's preferred provider is OSHC with Allianz Global Assistance and we would highly recommend students take this option. Students retain the right to choose their own OSHC provider which must come from the list of providers below. For more information on OSHC please see this link.

Non-Monash University OSHC preferred suppliers:

- Australian Health Management
- BUPA Australia
- Medibank Private
- NIB

Whichever option a student chooses, they must select the OSHC cover dates set out in Part B of their International Student Course Agreement.

HOUSING

On-campus accommodation

The Monash Abroad office will email students instructions on how to apply online for on-campus accommodation once they have successfully submitted their exchange or study abroad application; students should not apply directly to Monash Residential Services (MRS).

Off-campus accommodation

Students who choose to live off-campus can receive assistance/advice on searching for rental properties, setting up a share house, things to look out for before they sign a contract, an idea of comparable rental costs, how to budget, and how to get the essentials like internet, gas and electricity connected.

VISA

Students will need to complete and return the acceptance declaration in their International Student Course Agreement and receipt of payments where applicable. Monash Abroad will then email an electronic Confirmation of Enrolment (eCoE) form. The eCoE is required to apply for a student visa (subclass 500). It is important, and the students responsibility, to fully understand their obligations and responsibilities when
