INSURANCE

It is recommended that the students provided a medical health insurance during the period of the mobility

HOUSING

In Brazil, it is not common for public universities to have residence halls, which is why we do not offer Campus Living, but we can suggest some options:

1st Suggestion: Youth hostels

Mobilità internazionale per studio nei Paesi Extra-UE a.a. 2019/2020

There are no certified hostels in Santo André or São Bernardo do Campo, but there are plenty in São Paulo close to subway

stations, which makes it easy to reach Santo André by train. We suggest either one of two hostels that are part of Hostelling

International. One of them is Praça da Árvore Hostel, close to Praça da Árvore subway station. You can make reservations on their website (in English) The other one is Pousada dos franceses, close to Avenida Paulista, and you can make reservations on their website (in English) and find more information about it.

2nd Suggestion: “Morar UFABC” & “Repúblicas UFABC” (Facebook groups)

The groups are run by students and are open to all students who wish to participate in it. Students are free to divulge vacancies where they live and to inform other participants of their interest in a place to live. They’re closed groups, but you can easily ask to join. The activity is in Portuguese, but we can help you getting in touch with other students if you should need.

3rd Suggestion: Specialized websites

You can try websites that arrange room rentals, but don’t expect them to be updated very frequently. We can recommend EasyQuarto (in Portuguese), where we found the lowest monthly rates advertised.

VISA

The students must get a special type of visa to be able to enter Brazil as a student. It’s called TEMPORARY VISA ITEM IV and it is for “students”.

How to request the visa:

To be served at the consulate or embassy visa office it is essential to:

1. Fill in the visa request form;
2. Schedule an appointment time and date;
3. Bring all the documentation needed
