HOUSING

UNIL cannot guarantee housing for all exchange students. Priority is given to overseas exchange students. University halls of residence are open to bachelor and master students only. Advanced studies and continuing education students (Master of Advanced Studies) have not access to university halls of residence. VISA

Visa

Students should apply to the Swiss diplomatic representation in their own country in order to complete the necessary administrative procedure. It is very important that these formalities are started within the time limits set, i.e. 2 to 3 months before their arrival in Switzerland. Students coming from the countries of the European Union do not have to complete these formalities. Important: It is impossible to change a tourist visa into a student permit once the student has arrived in Switzerland.

Residence permit

Upon arrival in Switzerland, the student must go personally to the Foreign Registration Office (Bureau des étrangers) of his/her town of residence. Cost of Residence Permit:

- Students from EU countries: CHF 65 to CHF 120, depending on the municipality of residence.
- Student from non-EU countries: CHF 150 to CHF 280, depending on the municipality of residence.

Residence Tax

The cost of the tax varies between CHF 30 to 37 per month depending on the town of residence.
