As a partner of the above-mentioned project, the undersigned institution will encourage and facilitate the mobility of university students through job training periods (placements) in enterprises.

As soon as possible, we intend to host the students as trainees for job training periods (placements) and arrange for the supervision of the participants. Student trainees receive a Erasmus grant from their home University to cover the additional costs incurred in the placement (travel, accommodation costs, insurance). The placements will provide a structured job training, according to the objectives of the Erasmus+ traineeship.
